

WHEN IT'S SPRINGTIME
(OR SUMMERTIME) IN THE
ROCKIES, LET'S ALL GATHER
AROUND THE OLD HOMESTEAD

THE EVENT: KRAUSE KLAN FAMILY REUNION
THE PLACE: FLATHEAD VALLEY, MONTANA
THE DATES: July 28, 29 and 30th

Erna and Ray Terault have graciously invited us to spend Friday afternoon and evening at their cabin on Ashley Lake and if you haven't seen it since they have made the new renovations, you really have a treat coming!

On Saturday, the Harry Nordquist's are our hosts at Foy's Lake and rumor has it that "Snooks" and Minnie are going to roast the fatted hog in our honor. This sounds like something not to be missed.

Margaret and Ledger Smith have invited the Klan to Bigfork on Sunday and since they only have their trailer for shelter, they are making arrangements to use the Trinity Lutheran Church's picnic area in case the weatherman is not cooperative.

Each year we realize how much more precious these few days together have come to be and we urge all of you to make plans to be there!
