THE FIRST THANKSGIVING

presented by the Edgerton School First Graders and MLR Class

This traditional celebration of Thanksgiving is told through the story of Small Paleface and Bright Squirrel . . . Little Pilgrim and Little Indian . . . who find the true meaning of brotherhood and friendship by learning each other's ways.

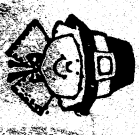

Small Paleface and his family have travelled far across the Great Waters, blown by a big storm. They have landed on the giant rocks and suffered hardship through the snows of winter.

Now Bright Squirrel's people are helping them . . . plant corn, use fish heads to make it grow, make the sap of a maple tree into syrup, catch wild turkey . . . and Small Paleface and Bright Squirrel "talk" to each other by drawing pictures with a sharp stone on a smooth bark of birch.
