Dustin,

You have an amazing memory! You use that memory to complete tasks and relay information very effectively. D- you are doing a terrific job with reading. Each day you read a bit better and soon you will be reading chapter books.

D- you are a mathematician. You are able to do +1's, plus 2's and plus 10's. D- spelling - pretty awesome. You must use your incredible memory. You are doing an excellent job spelling with short vowels and one syllable words.

D- has made giant leaps with handwriting letters and numbers. D- works hard to make all letters and numbers correctly.

Thanks! Ms. Ryan
